FRI AY EVENING JANUARY 27.

A NEW AMERICAN CARDINAL—A special correspondent of the Baltimore Sun at Rome says that a number of important changes in connection with the government of the Catholic Church in the United States are contemplated. Archbishop Williams of Boston will be made a Cardinal at a consistory in March, and can have the assistance of a coadjutor if he wishes it, who will be Bishop McMahon of Hartford, whose place will be filled by the consecration of the Rev. Dr. Byrne, Vicar General of Boston. The vacant Archbishopric of New Orleans is set down generally to the Rev. P. L. Chappelle of St. Matthews Church, Washington, though a few think Bishop Janssens of Natchez may be the one promoted. Bishop Ireland of St. Paul will be made an Archbishop in the spring. The successor of Bishop Keane of Richmond, who has resigned to assume his duties as rector of the proposed American university, will be the Rev. Dr. O'Connell, rector of the American College in Rome and secretary at Rome for the American Bishops. The Rev. Dr. Farrelly of New York, who has taken up his quarters at the American College, will succeed to the secretaryship.

COSTLY PRESENTS—Among the gifts presented to the Pope on the occasion of the jubilee of the Infanta of Spain sent the largest of all the pectoral crosses, and one of the costliest. It is a solid mass of diamonds, ranging from the size of a pea to that of a hickory nut, piled on top of each other between narrow strips of gold that hold the stones in place. A rope of gold is attached to it. Beside this magnificent is another of immense value, and the eye is dazzled by their gorgeousness. It is from the Queen Regent of Spain, and comprises the coat of arms of the Pope in a solid sheet of diamonds, four inches in height and three inches wide. No metal enters into the work, the diamonds being held together by an ingenious arrangement of threads of gauze. At the base are two rings, one bearing a ruby as large as a bird's egg in the center and surrounded by diamonds; the other an emerald, fully as large as the main setting of the companion circle, and similarly bejeweled. Both these are likewise from the Queen Regent.

NUMBER OF SHARES, 625,000, OF \$1 EACH. FULL PAID AND NON-ASSESSABLE.

President, Hon. W. P. CANADAY, Washington, D. C.

Secretary, WILLIAM S. ODELL, Washington, D. C.

Vice President, J. Q. BARTON, Mare Island Navy Yard, Cal.

Treasurer, Hon. JOHN B. SHIPMAN, Washington, D. C.

General Manager, CHAS. W. CUNNINGHAM, Hackberry, Arizona.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value. Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment.

For full information in regard to this Mine apply to the
